**MEMORANDUM**

**12 MAY 2009**

**TO: ALL GCPHC MEMBERS, SHOW AND FUTURITY PARTICIPANTS**  
**FROM: GCPHC FUTURITY COMMITTEE**  
**RE: BREEDER'S AND OPEN FUTURITIES AND STALLION SALE PROGRAM**

---

Ladies and gentlemen,

First of all, please allow us to thank you for your past and future participation in the GCPHC stallion sale, breeder's and open futurities as well as the stallion sale program.

After much discussion and many attempts to adjust the programs to the needs and desires of members, stallion owners, stallion service, buyers, foal owner and exhibitors, the GCPHC Futurity committee has made the decision to discontinue the stallion sale and breeder's futurity program effective with the 2009 calendar year.

Therefore, the stallion sale program for 2008 will be the final sale program. And, accordingly, the resulting 2009 foals by those stallions sold on the 2008 sale program will comprise the final weanling group to compete in the GCPHC breeder's weanling futurity this coming Labor Day weekend.

Of course, the ongoing yearling and two year old program will continue until this year's foals have aged out.

In addition to the above, the committee has voted to keep in place the open and non-pro futurities. These classes will continue as they have in past years, with a few new twists. The jackpot will be comprised of a 100% entry fee payback and for each five head entered in any class that class will receive a bonus in the form of an additional \$100 in added money. Keep in mind that you must enter the corresponding APHA class as well.

**PLEASE BE SURE TO CHECK THE GCPHC WEB SITE FOR THE APPLICABLE RULES AND ELIGIBLE STALLIONS FOR THE 2009 AND PAST BREEDER'S FUTURITIES, AND OPEN FUTURITY.**

We look forward to seeing you at the Labor Day show and best of luck to you all!
